

Interior Designer – Bozeman, MT

Description

Hennebery Eddy Architects seeks a mid-level interior designer with 3-7 years of relevant interior design experience and demonstrated success integrating interior design with architectural projects. This collaborative individual will be a member of integrated project teams, working with project leaders to execute conceptual designs, presentations, design development, and construction documents. This position is located in Bozeman, Montana with potential for long term flexibility.

Responsibilities

- Participate in programming, space planning, selection of FF&E, color palettes, material presentations, project documentation and specifications.
- Assist in managing client expectations, team communication and consultant coordination.
- Flexibility to focus on a single client with a variety of project types, or multiple, concurrent projects in various stages of development.
- Contribute to office culture, initiatives, and learning programs.

Qualifications

- 3 to 7 years of relevant interior design experience and success integrating interior design with architectural projects.
- Working knowledge of furniture, finishes, materials, specifications, and building codes.
- Programming and space planning skills.
- Advanced design, visual, and graphic presentation skills including hand sketching ability.
- Proficiency in the use of 2D/3D software, including Revit, Photoshop, InDesign, and Illustrator.
- Bachelor's or Master's Degree in Interior Design or related field from accredited school.
- Collaboration skills and ability to work effectively with clients, consultants, contractors, and jurisdictions.
- Excellent organizational, time management, and communication skills.
- LEED or Living Future Accreditation preferred.
- A minimum of three references, one of which must have been clients.
