

## Senior Interior Designer

### Description

Hennebery Eddy Architects seeks a senior interior designer with 12 or more years of relevant interior design experience and demonstrated success leading the integration of interior design with architectural projects. This individual will lead, develop, and mentor the firm's interior design team, strengthening overall interior design capabilities, and participate in business development.

### Responsibilities

- Work as an interior design leader on integrated project teams completing conceptual designs, presentations, design development, and construction documents.
- Participate in business development, networking, proposal preparation, and project interviews.
- Lead programming, space planning, selection of FF&E, color palettes, material presentations, and specification development.
- Manage client expectations, team communication, and consultant coordination.
- Lead multiple, concurrent projects in various stages of development.
- Contribute to office culture, initiatives, and mentorship.

### Qualifications

- 12 or more years of relevant interior design experience and success leading the integration of interior design with architectural projects.
- Experience leading programming, design concept development, space planning, and comprehensive development of interior environments, including specifying furniture, finishes, and materials.
- A working knowledge of building code provisions impacting interior planning and design.
- Proven team leadership, organizational, management, and communication skills.
- An entrepreneurial spirit, desire to participate in business development, networking, proposal preparation, and project interviews.
- Ability to develop and maintain strong client relations.
- Advanced design, visual, and graphic presentation skills, including strong hand sketching ability.
- Proficiency in the use of 2D/3D software, including Revit, Photoshop, InDesign, and Illustrator.
- Bachelor's or Master's Degree in Interior Design or related field from accredited school.
- Collaboration skills and ability to work effectively with clients, consultants, and contractors.
- LEED Accreditation.
- A minimum of three client references.

**Additional Desired Qualifications**

- NCIDQ Certification.

**About Hennebery Eddy**

Hennebery Eddy Architects is driven by the values of the Pacific Northwest: simplicity, efficiency, and beauty. During our 26-year history, we have made a significant impact on our region's built environment. The firm's projects fall in four primary market sectors: academic, civic + cultural, commercial, and aviation + transit. Our work includes comprehensive architectural services, interior design, planning, sustainable design, and historic preservation characterized by well-crafted, thoughtfully detailed designs that respect their sites and strengthen their context.

We aspire to design net-positive solutions through healthy, efficient, and adaptive spaces that are responsive to our clients, the environment, and the people who use them. The result is a net-positive outcome for the greater community. As a JUST™ Organization, we are passionate about making a positive contribution to our greater environment and the human situation through designing places where people gather, work, live, and recreate. Our design approach is grounded in our core values, and uses a collaborative process with principals, associates and interns working together in an open studio.

This approach has resulted in more than 50 design awards, including national, regional, and local recognition. In the past year, we worked on the designs of our largest, most sustainable projects to date, by our most diverse staff to date; these accomplishments are reflected in our debut at No. 31 on the Architect 50, being named one of the 100 Best Green Workplaces in Oregon by Oregon Business, and receiving the AIA Northwest and Pacific Region firm award. Please visit [www.henneberyeddy.com](http://www.henneberyeddy.com) for additional firm information.

**Benefits**

Hennebery Eddy offers a comprehensive benefits package. Along with competitive health plan options, flexible paid time off, and retirement savings contributions, we offer benefits that support our employees' personal and professional lives and foster our firm culture. These offerings include alternative transportation subsidies, secure bike storage and changing/shower facilities, community engagement opportunities and paid volunteering days, a community service scholarship, a sabbatical program, and substantial financial support for professional development, licensure, certification, and training.
